For anyone else like me who appreciates knowing exactly which songs are included, here we go:Beauty and the Beast- Be Our GuestHunchback of Notre Dame- The Bells of Notre DameThe Lion King- Can You Feel the Love Tonight- I Just Can't Wait to Be KingPocahontas- Colors of the WindAladdin- Friend Like MeThe Little Mermaid- Part of Your World- Under the SeaMulan- ReflectionTarzan- You'll Be in My HeartToy Story- You've Got a Friend in MeHercules- Zero to Hero

I'm a flute teacher with a large studio, and use this book occasionally for sight-reading. My students enjoy playing something familiar. I agree with the other review that it is not a book for first year students. The range is quite wide, and the rhythms are not simple. The key signatures are true to the original, so several flats are common.I played through it myself when it first arrived. The CD is accurate to the book. It offers the choice of accompaniment with or without the melody, which is helpful for learning. The band accompaniment is less "cheesy" than some out there. It sounds like live as opposed to synthesized instruments.A very nice collection of familiar tunes.

I purchased this book for my 7th grader who has been playing for 3 years. She enjoys the chance to play songs that she likes. I recommend for anyone who loves the Disney music.

Like its counterpart Disney Movie Hits: Flute, this book is great fun for Disney fans. Be aware that this book is too hard for beginners and may frustrate them. Flutists should have a good mastery of sixteenth notes and triplet, as well as good upper register skill. Be sure to make use of the accompanying CD.

My daughter plays in band and there just isn't enough music for her. So we use this as a supplement and she LOVES practicing. Her band instructor allows them to play anything for practice credit... so why not ENJOY practicing?!?!

Delivery was great. Instrumental music from your favourite Pixar & Disney shows.great listening music.pricing was good. Would recommend this for someone who wants to learn these great songs using the flute.thank you !

Got this for my Disney-crazy pre-teen granddaughter to help keep her interested in her flute during the summer, when there were no school music classes. It did the trick, and she resumed classes last fall without missing a beat. She really enjoyed it, and no one had to nag or cajole her to practice all summer.

My daughter is a beginner so some of the songs are a bit difficult. There are songs she can play but often has to ask me the fingerings. She hasn't tried it with the CD, which would be more difficult. The music has helped her grow as a player.
