Great sheetmusic book, very good transcriptions with all the songs plus 3 songs the way Elton John plays them.

I purchased this book for my granddaughter, and she LOVES it. I spent just a few dollars to have it made into a spiral bound book. Lauren's piano teacher was so pleased, and Lauren really enjoys the way the pages turn so easily and "stay put"! The songs are fun to play, and there is no need to remind Lauren it is time to "practice".....she is playing without any prompting!

All the songs from the movie are here. Full lyrics are included. Piano skills must be above intermediate.

Nice songs for intermediate piano.
