# You Can Teach Yourself Recorder

## Synopsis

William Bay teaches you in a step-by-step manner how to play the soprano or descant recorder. Time signatures, sharps and flats and all of the basic notes are taught. In addition, you will be able to play along with many great recorder songs, ranging in style from classic to Irish ballads to ragtime to jazz to blues! Learn over 70 recorder solos! This book is a complete guide to learning to play the recorder. The online audio recording features Mike Buerk performing the selections found in the book. Audio and video downloads available online.

## Customer Reviews

I love LOVE this book. I taught 3rd to 5th grade Recorder and each day I used this book to teach my students. A Cd comes with the book and both were the perfect tool to teach my students beginning recorder. I recommend this book to ANYONE who wants to learn the recorder. It seriously was the best beginning book / program for teaching my students that I have found. I love the music in the book and my students couldn't wait for Recorder class. I tell you honestly that this book is Fantastic. In learning any instrument it is 10% knowledge, 90 % practice with that in mind this book really does make learning the recorder easy and gradual.

The DVD is a bit dated, but okay. It is difficult to follow the pieces since there is no printed materials. Looks like there is version for sale with a book - I should have probably gotten that one.
