Customer Reviews

Get That Account! has great tips and strategies for the small cleaning business. It gets harder and harder to compete with the larger business and we feel like this will give us the edge. It's the perfect addition to the Janitorial Contractors Bible. Mr. Kravitz really has some simple but effective ideas that we have used successfully for years. We are thrilled to have the opportunity to add this publication to our essentials for our small business.

Just what I was looking for. Very well written and easy to understand. Would definitely recomend for the new start-up cleaning business.
