Best Sellers Rank: #157,790 in Books (See Top 100 in Books) #97 inÂ Books > Arts &

Photography > Music > Songbooks > Strings > Violins

Customer Reviews

My daughter is 4 and it is the perfect book for her to start with now that she has good position and can read the notes!

Really like it for students just beginning or those needing to review technique at a slower pace within the first or second year of study. Very sound fundamentals.

Works just fine for my 7 years old son. We never had any problems to understand it, but of course we have really good teacher :) . Anyways delivery was fast and we didn't have any issues.

very nice
