## Customer Reviews

Very good collection of solos with many interesting sounding, yet suitable for the level, pieces. Too bad it didn't come with a CD of performances and accompaniments, or at least the accompaniment book was included.

This book is very good for the intermediate alto sax player. There is a nice selection of solos to choose from for solo and ensemble festival. I would strongly recommend this book for any middle school alto sax player.

Item received damaged, and unusable. No way to contact for replacement. out the money I paid for this book.
