## Customer Reviews

Have the hard copy purchased recently for exam preping however for those who want it digital if you search online the same version is free as a pdf and it can be downloaded without cost. Do your due diligence as there are some sites that are tricky and then one or two that are straight forward that will allow you to have it free, check the version in this book by expanding to view inside and see that it is the last printing year 2013. Have downloaded it to read and study on my iPad when out and use the hard copy study at home. Good luck to all taking the exam.

The plot is convoluted and hard to follow, it seems to focus on the minutiae. The characters are not well defined, most seem to be motivated by litigation and money. I found it hard to follow
