Sepecat Jaguar: Profiles Of Flight: Tactical Support And Maritime Strike Fighter

Synopsis

This versatile single-seater aircraft was a joint development between the UK and France. It first flew in 1968, but its robust and flexible operational uses led to its long service life, only being retired from RAF service in 2008. It has seen front-line action in all major conflicts since introduced and has been exported to India, Ecuador, Nigeria and Oman. This book contains the world famous color profiles created by Dave Windle of the type in different operational modes, configurations and color schemes. Martin Bowman has written detailed descriptions and photographs to create the perfect enthusiasts reference.
