Rehearsing The Band, Volume 2

Synopsis

(Meredith Music Resource). Reading this book soon leads one to discover that band conductors are indeed fortunate to have a number of talented and accomplished leaders, who were not only willing, but enthusiastic about sharing their ideas and philosophies with younger colleagues. The result of all of this is to provide a huge "room" where everyone can gather to ask questions on all aspects of rehearsing and listen to the answers from the experts.

Book Information
