Customer Reviews

Passive income streams are ways of making money that continue paying out even after you stop actively focusing on them. The best is to have several such streams and begin maintaining them as soon as possible. What you have to have for this: time, patience, right mental state, clear plan, and dedication to the task. You can find various sources of passive income, but to have a good adviser to help you is a brilliant idea. And this book may be such an adviser for you! It suggests so many opportunities and so many useful tips for organizing your work that if you won't take advantage of this, you're just a lazy person!

Everyday I learn something new and if not by reading I remember things that I never really thought of. I thought that Passive Income was mainly or only from the digital world and not the physical world but this amazing book taught me differently. As there is Rental of property or vehicles as well as several of investment like real estate etc. Earning a passive income is a great way to move away from the grind of the traditional 9 to 5 job. I strongly recommend this book!

In my point of view, Passive income is doing the work once and reaping the benefits for years to come. And this book shows you proven, effective ways to create passive income, and it also gives you an honest look about what passive income is, how to get started, and even debunks myths associated with this. By the end of this, you'll have the information necessary to get started on the pathway to passive income, and soon you'll be generating money and success.

This book actually told me information that I needed to know such as how to build a passive income and the obstacles that would get in my way when trying to build this passive income. I am looking for ways on how to actually have a passive income. While browsing books here in Kindle, I came across with this book which serves as a useful guide for me. Overall, it's a good grab and would recommend this book for those who are considering passive income.

This book is very helpful. Earning passive income is not easy if you don't have the will to do

it. This book is very informative and very easy to understand. It provide steps and strategies on how to earn passive income online. It inspires one to make more & more easy money with online work. There were tips provided in here which are really helpful for beginners like me who wanted to try. Highly recommended!

This book is extremely enlightening and simple to understand. It motivates one to make more and all the more pain free income with online work. This book gives you chance to leave your place of employment and exploited from numerous automated revenue streams. I would prescribe this book for those people who are attempting to locate the best course for easy revenue.

I want to live a simple living without others knowing that I have a maintenance in my bank accounts and passive income is my solution and I have been longing to it ever since before. This book nailed it when discussing on this kind of earning. It really convinces you to try this one. Substantial context are in here. Worth the grab and time to read. Recommended!

This was a great guide to someone looking to supplement their monthly income with passive means. This ebook helps you set up ways to make more cash on the side while you go about your business, letting these side ventures do the work for you. This is a great resource for folks who are starting to look at their passive income options. I recommend this book.
