The Rolling Stones All The Songs: The Story Behind Every Track

Synopsis

Comprehensive visual history of the "World's Greatest Rock & Roll Band" as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since *Voodoo Lounge*. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song "Smoke on the Water" or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on "Street Fighting Man."

Book Information

Hardcover: 704 pages

Publisher: Black Dog & Leventhal (October 25, 2016)

Language: English

ISBN-10: 0316317748

ISBN-13: 978-0316317740

Product Dimensions: 8.6 x 2.4 x 11 inches

Shipping Weight: 6.1 pounds (View shipping rates and policies)
