Customer Reviews

I love this book. I use it with all my students. Duets are fun, short, detailed and have a slow progression, not crossing the break until about 10 duets in. Favorite songs in this book: Folk Song Medley March The Clown and many others

Very good way for two people to learn to play duets together. Pieces become more challenging as you go on. Also the length of the pieces are just right. My practice partner and I play for 1/2 hour at a time and are progressing nicely.
