My daughter loves playing viola and with her teachers she tends to only get classical music selections. This was a great "dessert" book to encourage her practicing. She enjoys playing songs she remembers from the movies.

It's hard to find music for the viola. My daughter has been playing for less than a year, so I bought this book for her to keep playing over the summer. She has been able to teach herself the songs from this book. It is a great selection of Disney songs.

I play viola and some of the songs sound NOTHING like the actual songs. I understand that different parts are required to make a song sound right. But even for solos they could have tried harder to make the songs sound decent. Besides that the song selection in the book is really large. some of

the songs do sound pretty good

I was very disappointed because I love Disney songs, but when i played them, they never went to the chorus or had notes for the melody. Many of the songs were unrecognizable.

Nice mix of songs, good book to have, play for years to come...lots to choose from and kids love it!

she asked for this for her birthday since she plays the viola, thought it was an interesting choice for a teenager, but she enjoys the songs and I enjoy hearing them.
