## Customer Reviews

Short and energetic stories about boys (mostly in their teens and early 20s) who influenced the world. Efforts have been made to represent a wide variety of cultures and areas of contributions. Some of the approximately 50 entries are King Tut, Galileo, Stan Lee, Nelson Mandela, Shaun White, and the Billy Elliot dancers. More emphasis on arts than I expected. Each Boy Who Rocked gets 3-5 pages, with some highlighted text boxes, with short "Rock On" or "How Will YOU Rock the World?" paragraphs at the end of each chapter. A good stepping stone to any number of individual biographies, and/or great for a middle schooler with wide interests, who likes to browse. About me: I'm a middle school/high school librarian
