Customer Reviews

David's book taught me how to play the harmonica very well. It shows you the fingering and all. Now I can play the harmonica and my parents won't tell me to quit!! I would definitely recommend it. I love this book. I can play any Western, Blues or anything on the harmonica. Thanks David!!

David Harp's books are excellent!

The notation system is horrendous. The book is ok for an absolute beginner. I put the book where I believe it belongs, in the garbage.
