Address Book (Beautiful Floral Designs-Black And Purple) (Volume 1)

Synopsis

Stay organized and keep track of addresses of family, friends and acquaintances with this jumbo-sized address book. This book includes double the page count of most address books, and it's much larger, so there's more room to write. Designed for people who want to keep track of all their address is one place. It's always good to have a written record of everything, rather than keeping all of your records on the computer. Record names, addresses, cell and home numbers, work, fax, email addresses, birthdays and other notes. Check out our other JUMBO address books to find a cover that meets your style preferences. All of our books have more pages than other address books on the market and they are jumbo sized, so you have plenty of room to write. We also create menu planers, recipe organizers and other types of books
